

### Nickel and Nickel Base Alloy

| Alloy Name | Trade Name                  | UNS No.    | German Specs           | French Specs     |
|------------|-----------------------------|------------|------------------------|------------------|
| Alloy 200  | Nickel 200                  | UNS N02200 | WS 2.4060<br>WS 2.4066 |                  |
| Alloy 201  | Nickel 201                  | UNS N02201 | WS 2.4061<br>WS 2.4068 |                  |
| Alloy 205  | Nickel 205                  | UNS N02205 |                        |                  |
| Alloy 405  | Monel 405                   | UNS N04405 |                        |                  |
| Alloy 600  | Inconel 600<br>NS312        | UNS N06600 | WS 2.4816              | AFNOR NC15Fe     |
| Alloy 617  | Inconel 617<br>NiCr22Co12Mo | UNS N06617 | WS 2.4663a             |                  |
| Alloy 625  | Inconel 625<br>NS336        | UNS N06625 | WS 2.4856              | AFNOR<br>NC22DNb |
| Alloy 718  | Inconel 718                 | UNS N07718 | WS 2.4668              |                  |
| Alloy X750 | Inconel X750                | UNS N07750 | WS 2.4669              |                  |
| Alloy 925  | Incoloy 925                 | UNS N09925 |                        |                  |
| Alloy 80A  | Nimonic 80A                 | UNS N07080 | WS 2.4631<br>WS 2.4952 | AFNOR NC<br>20TA |
| Alloy 90   | Nimonic 90                  | UNS N07090 | WS 2.4632              |                  |

### Cobalt Base Alloy

| Alloy Name      | Trade Name               | UNS No.                  | German Specs | French Specs |
|-----------------|--------------------------|--------------------------|--------------|--------------|
| Waspaloy        | Waspaloy                 | UNS N07001               | WS 2.4654    |              |
| Alloy 25 / L605 | Haynes 25<br>Udimet L605 | UNS R30605<br>UNS W73605 | WS 2.4964    |              |

### Special Steels

| Alloy Name  | Trade Name   | UNS No. | German Specs     | French Specs |
|-------------|--|---------|------------------|--------------|
| Alloy A-286 | Incoloy A-286<br>SUH660<br>X6NiCrTiMoV<br>B25-15-2 | S66286  | 1.4980<br>1.4944 |              |
